# June 7: Military Airstrikes Continue Against ISIL Terrorists in Syria and Iraq

By CJTF - Operation Inherent Resolve News Release

June 7, 2015

Release # 20150607

FOR IMMEDIATE RELEASE

**SOUTHWEST ASIA** – Coalition military forces continued to attack ISIL terrorists in Syria and Iraq between 8 a.m., June 6, and 8 a.m., June 7, local time. In Syria, coalition military forces conducted 11 airstrikes using bomber, attack and fighter aircraft. Separately in Iraq, coalition military forces conducted 11 airstrikes approved by the Iraqi Ministry of Defense using attack, fighter and remotely piloted aircraft against ISIL terrorists.

“The coalition is keeping the pressure on Daesh throughout Iraq and Syria,” said Col. Wayne Marotto, CJTF-OIR chief of public affairs. “The steady, continuous pressure being applied by ground forces and coalition airstrikes is degrading Daesh and clearly inhibiting their operational freedom, span of control, military capacity and fighter morale.”

The following is a summary of the strikes conducted since the last press release:

## Syria

Near Al Hasakah, two airstrikes struck one large and one small ISIL tactical units, destroying four ISIL fighting positions and a vehicle.

Near Aleppo, one airstrike struck an ISIL tactical unit, destroying an ISIL ant-aircraft artillery piece and an ISIL fighting position.

Near Ar Raqqa, three airstrikes struck three ISIL tactical units, destroying three ISIL fighting positions, an ISIL rocket system, an ISIL motorcycle and an ISIL weapon transportation vehicle.

Near Kobani, five airstrikes struck four ISIL tactical units, destroying two ISIL vehicles and two ISIL mortar systems.

## Iraq

Near Al Qaim, one airstrike struck an ISIL tactical unit, destroying an ISIL vehicle.

Near Bayji, two airstrikes struck an ISIL tactical unit and an ISIL bridge, destroying an ISIL vehicle.

Near Makhmur, three airstrikes struck an ISIL tactical unit, an ISIL mortar position and an ISIL rocket position, destroying three ISIL heavy machine guns and an ISIL building.

Near Sinjar, three airstrikes struck three ISIL tactical units, destroying four ISIL buildings, an ISIL heavy machine gun and an ISIL vehicle.

Near Tal Afar, two airstrikes struck an ISIL tactical unit and an ISIL heavy machine gun, destroying two ISIL buildings, an ISIL mortar system and an ISIL vehicle.

Airstrike assessments are based on initial reports. All aircraft returned to base safely.

The strikes were conducted as part of Operation Inherent Resolve, the operation to eliminate the ISIL terrorist group and the threat they pose to Iraq, Syria, the region and the wider international community. The destruction of ISIL targets in Syria and Iraq further limits the terrorist group's ability to project terror and conduct operations. Coalition nations which have conducted airstrikes in Iraq include Australia, Belgium, Canada, Denmark, France, Jordan, Netherlands, United Kingdom and United States. Coalition nations which have conducted airstrikes in Syria include Bahrain, Canada, Jordan, Saudi Arabia, United Arab Emirates and the U.S.
